

2023 REENTRY Week

#CLEReentryWeek2023

APRIL 23-29 2023

Restoring the Returned

The Office of Reentry and its community partners are proud to present Reentry Week 2023. We are dedicated to raising the awareness in our community about the many barriers that impede those who are justice involved. This year our events and programs will take on a holistic approach as we focus on the impact and effect of incarceration on the entire family. This year's events will include a focus on juvenile justice, adult restoration, and children of incarcerated parents. We are extremely excited to amplify the voices of the reentry community!
