HELPING 1000 RETURNING CITIZENS...HOME

Over 20,000 people were released from Ohio prisons in 2019. Most with only the clothes on their backs and barely enough money for a bus ticket back home. This year, it's estimated 7,000 will be released and return to their communities in Cuyahoga County. With your support, "PROJECT 1000" will provide essential undergarments and hygiene items helping 1,000 returning citizens feel whole again.

Acceptable Items

<table>
<thead>
<tr>
