**After school. Summer. Holidays.
Don't let those hours get lost.**

Call our FREE service. Find great ways
for your child to spend their time
when they are not in school.

How old is your child?

What are their interests?

Where does your family live?

By answering simple questions like these,
you can receive a customized list of youth
programs that are offered near your home.

We have a database of 800+ programs
across Cuyahoga County, to help you make
the best out-of-school-time choices for
your child.

We have options for any-age child.

Many thanks to the following FCFC-supported youth programs
that provided the photos for this brochure:

ASPR/Lutheran Metropolitan Ministry

College Now of Greater Cleveland

Esperanza

Families and Schools Together (FAST)

Goodrich-Gannett Neighborhood Center

Lake Erie Ink

National Youth Sports Program at CWRU

Youth Advocacy and Leadership Coalition (YALC)

The resource and referral database of
positive youth activities is a Cuyahoga County
and MyCom project offered in partnership
with Starting Point.

By the age of 18, a child will have spent only 13% of their waking hours in school.

A child develops many skills for life and citizenship in the **other 87% of their time**, making quality programs during these hours essential.

The Family & Children First Council promotes programs that keep kids out of trouble, help improve their school performance, and prepare them for careers and stable adulthood.
